

Frequently Asked Questions

How much experience do I need and why?

This program is designed to support individuals with a *minimum* of 10 years of experience. We encourage individuals with 20 or 30+ years of experience to apply as well, and will build cohorts accordingly. We believe significant experience is necessary for participants to reflect on their past experiences for both themselves and their peers.

When is the next Purpose Path?

The next Purpose Path will take place Fall 2017. Specific dates will be announced in August.

When will applications be released?

Applications will be released once the Fall 2017 dates are announced.

Why do I have to apply?

The application process is designed to inform curriculum customization, and design effective group experiences based on participants' work experience.

What is the size of each cohort?

Each cohort will be capped at 20 participants.

How does the application and payment process work?

Applications will be reviewed on a rolling basis. The final application deadline will be set when the new dates are announced. Payment is not required until after you have been accepted.

What is the time commitment required?

Participants will have approximately 2 hours of pre-work prior to the program starting. This additional time outside of the classes will position you to get the most out of the program.

Where will the series be hosted?

Sessions will take place at 1875 Connecticut Avenue, NW, Washington DC.

What happens to the information I share in my application and with my cohort during the program?

We will keep all applications confidential. All participants will sign a confidentiality agreement on the first day.
